

Subject: Invitation to attend the workshop entitled “Nurturing Care Framework for Early Childhood Development in a Humanitarian Context”

Under the patronage of the Ministry of Social Development and with technical and financial support from UNICEF, and technical support from WHO, the Palestinian Network for Early Childhood Development has the honor to invite you to attend a workshop entitled:

“Nurturing Care Framework for Early Childhood Development (ECD) in a Humanitarian Context”

The Palestinian Network for Early Childhood Development aims to put early childhood development on the national agenda’s priority list. The aim is push for the development of national programs for early childhood development that are in line with global development goals, advanced theories and frameworks in this field, as well as with the National Strategic Plan for Early Childhood and Early Intervention for the years 2018-2022.

Additionally, as part of a regional effort carried out by the Arab Network for Early Childhood Development which aims to meet the developmental care needs of children in emergency and difficult humanitarian conditions, this workshop will be held in Palestine with all relevant national and international bodies. The most crucial national priorities will be discussed to integrate them at the policies, programs and statistics levels. At the end, a procedural plan will be developed that focuses on urgent priorities that will be responded to during the coming year.

Date: October 20-2021
