

## Denmark

Countdown to 2030

Women's, Children's & Adolescents' Health

### Demographics

|                      |              |
|----------------------|--------------|
| Population           | 5,813,302    |
| Annual births        | 64,059       |
| Children under 5     | 319,795 (6%) |
| Under-five mortality | 4/1,000      |

### Threats to Early Childhood Development

|                    |           |                        |         |
|--------------------|-----------|------------------------|---------|
| Maternal mortality | 4/100,000 | Adolescent birth rate  | 2/1,000 |
| Low birthweight    | 5%        | Preterm births         | 7%      |
| Child poverty      | no data   | Under-five stunting    | no data |
| Violent discipline | no data   | Inadequate supervision | no data |

### Young children at risk of poor development

At risk in 2005, 2010 and 2015, using a composite indicator of under-five stunting or poverty

### Risk by sex and residence

### Lifetime cost of growth deficit in early childhood

no data — Estimate in terms of % loss of annual adult wage

### Children with functional difficulty

no data

### Children developmentally on-track

no data

## Support and services for early childhood development: Nurturing care

Parents and caregivers need a facilitating environment of laws, policies, services and community support to assist them in providing their young children with nurturing care.

## Facilitating environments

| Policies                                                              |                                    |            |               |     |
|-----------------------------------------------------------------------|------------------------------------|------------|---------------|-----|
| None                                                                  | <14                                | 14 - <18   | 18 - <26      | ≥26 |
| Paid maternity leave (weeks)                                          |                                    |            |               |     |
| None                                                                  | <14                                | 14 - <18   | 18 - <26      | ≥26 |
| Paid paternity leave (weeks)                                          |                                    |            |               |     |
| Not                                                                   | Slightly                           | Moderately | Substantially |     |
| International Code of Marketing of Breastmilk Substitutes (alignment) |                                    |            |               |     |
| No data                                                               | National minimum wage              |            |               |     |
| ✓                                                                     | Child and family social protection |            |               |     |
