I. WORKSHOP AGENDA

A joint National Sensitization Workshop on Early Childhood Development & Education (ECD/ECCE) in Ethiopia

17&18 December, 2018

Radisson Blu Hotel, Addis Ababa, Ethiopia

Objectives of the workshop:

- To sensitize stakeholders including higher officials on the concept of Nurturing care for ECD and the essentiality of investing in ECD/ECCE interventions for building human capital and develop Ethiopia in to a Middle income country
- To contribute to enhancing awareness of the fundamental importance of integrated ECD/ECCE in sectoral interventions in Ethiopia
- To discuss on the strengths, opportunities and challenges on the early experience of implementing ECD/ECCE in Ethiopia
- To start discussion about developing sector specific action plans to integrate and institutionalize nurturing care

Expected outcome:

- Higher officials sensitized on the importance and relevance of ECD/ECCE
- Multi-sectoral collaboration towards implementing ECD/ECCE will be revitalized
- Line ministries, international development partners and other partners making commitment to scale up equitable access to Nurturing care for ECD for young children and families through increasing resources and strengthening cross-sectoral coordination and collaboration.
